

SHINE BABU

Full Stack Developer

I am a professional Full Stack Developer with 20 years of experience in Web Project Design, Development and Deployment. Proven ability to convert Client Ideas into Beautiful functional website.

WORK EXPERIENCE

TechExps / July 2012 – Present

Senior Web Designer/Developer

As a seasoned senior web developer and designer, I bring over a decade of hands-on experience crafting immersive digital experiences that seamlessly blend creativity with functionality. With a robust background in both front-end development and design, I specialize in translating complex concepts into visually stunning and user-friendly interfaces, ensuring every project exceeds expectations.

ITGuru / Jan 2004 – June 2012

Senior Web Designer

With over a decade of experience in the ever-evolving landscape of web design, I've honed my skills to create captivating digital experiences that resonate with users. From concept to execution, my expertise lies in delivering visually compelling designs that elevate brands and drive engagement.

DevTown / Aug 2000 to Dec 2003

Software Developer

I've mastered the art of crafting efficient and scalable solutions to complex problems. My expertise spans across various programming languages and technologies, enabling me to deliver innovative software solutions tailored to meet the unique needs of each project.
